

Meeting bingo!

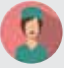

How often do you use these terms?

Put your team to the test... and have some fun!

The rules are simple. Mark words and phrases on the card as they are spoken during your meeting. If you complete a row/column, send a photo or scan of your card to sgp.office@doctorsofbc.ca, to be entered into a monthly prize draw.

At the end of March 2020, all completed cards will be entered in a draw for the grand prize. SGP & BCCFP will come and serve a pancake breakfast for a family doctor group of your choosing. It could be your Division of Family Practice, Medical Staff Association, clinic, journal club... you get to choose!
